

It is a perfect „little“ thing...

It looks like a little box-trailer - but only when travelling.

After folding up it is a full size market stall (400 x 350 x 250 cm) with a lot of inbuilt goodies.

Very well usable for night- or twilight-markets as light is built in (mainly LED).

A huge fridge to keep your products fresh and cool. (ca. 90 l).

An inbuilt sink with hot water to wash hands and clean tools.

A range hood to keep the air at your working place nice and clean.

3 massive side walls from canvas to protect you from wind and cold.

Enough power outlets for everything you need.

Glass-made sneeze protection to protect your products and your customers.

The trailer is made in Germany and has been imported to Australia some years ago. It is still in production. You can find further information on the manufacturer's website:

<https://www.lambert-gmbh.de/en/produkte/typ-300>

The price is \$9,990.00. That is a fixed price for the trailer only. If you want to buy the whole business - please talk to us.

On Sunday June 6 we'll be on the Central Coast Chili Fest at Mount Penang Gardens (near Kariong). The Festival will be open from 9am to 17pm.
